

Metrics | Service details for September 2020

The transaction count only includes services where transactions have been submitted during the month of September. Services with a zero count are not included in the table. Services with multiple collaboration year details are consolidated in the single count. The count includes SRP and BRRP transactions. *Note: Unique DSPs have been identified in the message header and is reliant on the DSP providing a unique single organisational name.*

Metrics | Error details per service type for September 2020

The error count only includes services where transactions have been submitted during the month of September. The errors have been grouped into 4 broad categories to provide an understanding of where the error is occurring. Services with multiple collaboration year details are consolidated in the single count.

LEGEND: Error Types
 Auth = Failed Authorisation
 Val = Failed Validation
