# Problem statement

How might we meet the needs of users?

**Sam Smith, Director**

As Sam, I want to know what director ID means for me, so I can meet my obligations as a company director.

**Darsha Dyon, Agent**

As Darsha, I want to know if my clients have applied for a director ID, so I can help them meet their obligations.

**Key constraint:** ATO authentication patterns for individuals through third party software to enable Apply for a director ID will not be available in time for the director ID release
