Director ID APIs focus group

- The DWG focus group is scheduled for 5 March 2021 to consider the implementation options available to manage onboarding of directors in software.
- A verbal update of the focus group will be provided with an out of session paper to be circulated to members.

Payment channels focus group

- The DWG focus group of 25 February 2021 met to examine implementation options for a broad and contemporary range of payment channels through MBR.
- The group recommended the following principles:
 - Payment channels should be considered in the context of the overall payment and billing experience of users
 - Users should be able to stay in their native systems
 - Users should have detailed clarity of their financial position in respect to their Registry accounts
- Discussion covered pain points in the current system and potential payment channels.
- A position paper and a paper on implementation considerations are included in the meeting pack to provide details and will be discussed in this agenda item.
