

Action Item #	Description	Action by	Status	Update
15/02 - 02	The DPO will follow up an issue with the Loss Carry Backmeasure for early balancer lodgments.	DPO	In Progress	<p>01 March: <u>Early balancer lodgments for 2022</u> - resolution of these issues is targeted for EVTE 3rd March and Production 5th March in SBR2. The troubleshooting page has been updated.</p> <p><u>Early balancer lodgments for 2023</u> - the legislation for the LCB extension to the 2023 income year has now received royal assent. An update was provided in relation to our plan for earlySAPs for 2023 using the 2022 service. The redundant rules are being reviewed to determine which ones can be removed. This should be finalised this week.</p> <p>Business will work with the DPO to provide additional clarity around fields and labels and communicate which redundant rules will be removed.</p>
15/02 - 01	The DPO will follow up to determine whether an updated Release on a Page (ROAP) is required at this time.	DPO	In Progress	<p>01 March: An updated version of the ROAP is expected by the end of the month and will be published as soon as it is available.</p>

01/02 - 01	DPO will follow up an issue where substituting accounting period income tax due dates are missing from IT on-demand reports. It is yet to be confirmed whether this issue is impacting both SBR and OSfA.	David Baker/DPO	Closed	15 Feb: This issue has now been resolved.
