

Opt-in register of super funds receiving payments via New Payments Platform

Last modified date: 7 November 2025

Instructions:

- A superannuation fund can be added to the register by emailing SuperStreamStandards@ato.gov.au and providing the information required in the table.
- The register will be published on the Contributions V3 page on the ATO software developer’s website.
- The register will be updated as new superannuation funds are added to the register.
- The register will contain the last modified date in the naming convention of the file.
