

Higher Education Loan Program weekly tax table

! For payments made on or after 1 July 2014 to 30 June 2015

Using this table

You should use this table if you make weekly payments and your employee has given you a *Tax file number declaration* (NAT 3092) or *Withholding declaration* (NAT 3093) and they answered **yes** to the question 'Do you have an accumulated Higher Education Loan Program (HELP) debt?'

If your employee has claimed the tax-free threshold, use this table if they have:

- weekly income of \$1,025 or more
- not applied for an exemption or reduction of the Medicare levy due to low family income on a *Medicare levy variation declaration* (NAT 0929).

If your employee has not claimed the tax-free threshold, use this table if their weekly income is \$675 or more.

You must withhold the HELP component from all your employee's earnings, including taxable allowances, bonuses and commissions.

! Do not withhold any amount for HELP from lump sum termination payments.

> For a full list of tax tables, visit our website at ato.gov.au/taxtables

We have a calculator to help work out the correct amount of tax to withhold from payment to most employees. To access the calculator, visit our website at ato.gov.au/taxwithheldcalculator

Working out the withholding amount

To work out the amount you need to withhold, you must:

- 1 Use the *Weekly tax table* (NAT 1005) to calculate the weekly withholding amount for your employee's earnings, allowing for any tax offsets claimed.
- 2 Use this HELP weekly tax table to calculate the HELP component to withhold.
- 3 Add the HELP component to the withholding amount. Withhold this amount from your employee's earnings.
- 4 If your employee also has a Financial Supplement debt, add the Student Financial Supplement Scheme (SFSS) component (calculated using the SFSS tax tables) as well as the HELP component to the amount to withhold. Withhold the result from your employee's earnings.

Finding the HELP component in the table

Find your employee's weekly earnings in column 1 (ignoring any cents) and use the appropriate column to find the HELP component.

Use column 2 if your employee is either:

- claiming the tax-free threshold
- a foreign resident.

Use column 3 if your employee is not claiming the tax-free threshold.

Example

Your employee has claimed the tax-free threshold and has weekly earnings of \$1,333.57. Ignoring cents, find \$1,333 in column 1. The HELP component in column 2 is \$73.00.

PAYG withholding publications

You can access all PAYG withholding tax tables and other PAYG withholding publications quickly and easily from our website at ato.gov.au/paygw

Copies of weekly and fortnightly tax tables are available from selected newsagents. Selected newsagents also hold copies of the following:

- *Tax file number declaration* (NAT 3092)
- *Withholding declaration* (NAT 3093).

Using a formula

The withholding amounts shown in this table can be expressed in a mathematical form.

If you have developed your own payroll software package, refer to *Statement of formulas for calculating Higher Education Loan Program (HELP) and Student Financial Supplement Scheme (SFSS) components* (NAT 3539) on our website at ato.gov.au/taxtables
