

Practitioner lodgment service

Confidence indicators, 20 March 2017

OVERVIEW

The practitioner lodgment service (PLS) is replacing the electronic lodgment service (ELS) as our main electronic lodgment channel for tax practitioners.

Closure of the ELS gateway will start from 31 March 2017 on a form-by-form basis. From this date, 2017 FBT returns can only be lodged through the PLS. Other income tax forms will be progressively removed from the ELS gateway throughout 2017-18.

Other forms, services and reports will be progressively removed from the ELS following consultation with software developers.

Ongoing access to the ELS as a safety net is dependent on progressing development of PLS products.
