

Practitioner lodgment service

Confidence indicators, 7 August 2017

OVERVIEW

The practitioner lodgment service (PLS) is replacing the electronic lodgment service (ELS) as our main electronic lodgment channel for tax practitioners.

Closure of the ELS gateway commenced from 31 March 2017, and will continue on a form-by-form basis. 2017 FBT returns can now only be lodged through the PLS. Other income tax forms will be progressively removed from the ELS gateway throughout 2017–18.

Other forms, services and reports will be progressively removed from the ELS following consultation with software developers.

Ongoing access to the ELS as a safety net is dependent on progressing development of PLS products.
