

Rollover transition-in timetable - version 11.0

The Rollover Transition-in Timetable has been updated to version 11.0 and contains information current as at 23 October 2013. The timetable includes all confirmations received for groups that are yet to complete their induction process. The next version of the timetable will be published on 7 November 2013.

WHAT HAS CHANGED SINCE VERSION 10.0?

- 34 funds in induction group 4 have completed their induction process and are processing live rollovers using the new Standard. These funds have now been removed from the timetable.
- Movements associated with new APRA-approved alternate transition-in completion dates have been updated.
- Funds with a pending APRA application for alternate transition-in completion date are listed on page 8 of the timetable. These funds will be allocated to a new group when the ATO has been informed of APRA’s decision.
- Funds yet to confirm their allocated induction group are listed at the end of the induction group that aligns with their current transition-in completion date.

WHAT DO FUNDS NEED TO DO NOW?

If you don’t think your fund will be able to meet its rollover transition-in completion date, you will need to contact your APRA supervisor and submit reasons for the change. APRA approval is required for this change. The ATO will contact your fund to confirm your induction group.

Induction period	Expected 'go-live' date	Estimated no. of implementation partners *	No. of confirmed funds **	% of funds confirmed for induction period
5	4-Nov-13	14	33	100%
6	18-Nov-13	15	31	100%
7	2-Dec-13	14	39	98%
8	16-Dec-13	22	69	96%

* Confirmed funds only

** This excludes small APRA funds

Please note: Some induction groups include a large number of funds. However the ATO is satisfied the number of 'implementation partners' can be effectively managed through the induction process.

A guide to the rollover transition-in induction process is available on the [ATO's website](#).
