Topics discussed

- PAYGW and activity statements
- Payroll reporting scenarios
- Compliance strategy
- Business Implementation Guide (BIG)

Summary of discussion

- An update from the STP Advisory Group was provided.
- The group was introduced to the work that has commenced on the interaction between STP and Activity statements. A focus group is being established and expressions of interest can be sent to the STP mailbox.
- A preview of the proposed compliance strategy was provided to the group and further information will be provided as the strategy develops.
- Updates were provided regarding the micro and focus groups for employee commencement; authorisations and declarations; deferrals and exemptions.
- WebEx sessions will be held to provide DSP's with additional assistance with the Business Implementation Guide (BIG).
