

# SuperStream Certified Product Register

This register enables employers to identify the readiness of payroll software and other service providers to meet SuperStream requirements. The ATO does not endorse or recommend any entity placed on this register. Any claims made should be read in conjunction with a vendor's terms and conditions. New products/services will be added as they fulfill minimum entry requirements.

## Certification levels

- **GOLD:** Conforms with the **testing** requirements for **all** data and messaging for SuperStream
- **SILVER:** Conforms with the **testing** requirements for data and messaging for SuperStream as send only profile
- **BRONZE:** Conforms with the **testing** requirements for data fields only for SuperStream

[More information on SuperStream is available via this link to the ATO's website.](#)

## Solution types

- Data file only
- Integrated data and payment clearing solution
- Integrated data messaging solution
- Data message and payment clearing service
- Data message and payment service
- Messaging portal

**SuperStream ready**  
A product or service that is 'SuperStream ready' has been certified as a complying solution and has completed the entry requirements for use by employers in a SuperStream channel.
