

SuperStream Certified Product Register

This register enables employers to identify the readiness of payroll software and other service providers to meet SuperStream requirements. The ATO does not endorse or recommend any entity placed on this register. Any claims made should be read in conjunction with a vendor's terms and conditions. The ATO will update this register regularly based on the progress an entity has demonstrated through the phases of testing, certification and readiness to comply with SuperStream. New products/services will be added as they fulfill minimum entry requirements.

Certification levels

- **GOLD:** Conforms with the **testing** requirements for **all** data and messaging for SuperStream
- **SILVER:** Conforms with the **testing** requirements for data and messaging for SuperStream as send only profile
- **BRONZE:** Conforms with the **testing** requirements for data fields only for SuperStream

SuperStream ready

A product or service that is 'SuperStream ready' has been certified as a complying solution and has completed the entry requirements for use by employers in a SuperStream channel.
